

## Inside

 <p>For over 25 years, Label Impressions has been revolutionizing the label industry. We've developed dozens of unique innovations, including this new 16-panel expanded content label. Produced in brilliant full color with high-definition digital plates, this unique design offers a huge amount of information in a very small package. Read on to discover all the ways Label Impressions can help make things easier for you...down to the last detail.</p>	<p><b>Production Excellence</b></p> <p>Imagine a label supplier without limits! Label Impressions combines decades of experience, the finest equipment, and the creativity that other printers lack to give you a level of quality you can't find anywhere else.</p> <ul style="list-style-type: none"> <li>• Quick turnaround</li> <li>• 10-color printing</li> <li>• Custom die shapes and sizes</li> <li>• Computerized color matching</li> <li>• Eco-friendly and biodegradable labels</li> <li>• Hot and cold foil</li> <li>• Bar coding</li> <li>• Pouches, sachets and packettes</li> <li>• Consecutive numbering</li> <li>• Expanded content labels</li> </ul>	<p><b>Lean Manufacturing Services</b></p> <p>Not only can we create a higher quality product, we can help make everything easier for you. Talk to our supply chain specialists about our</p> <ul style="list-style-type: none"> <li>• Lean principles</li> <li>• Faster service</li> <li>• Reduced lead times</li> <li>• Six Sigma</li> <li>• Friendlier staff</li> <li>• Lower overall label costs</li> </ul> <p><b>Sustainability</b></p> <p>Label Impressions is the greenest label supplier in the country. We were the first label printer to be certified by the</p>	<p>Forestry Stewardship Council (FSC) and to be awarded carbon neutral status through the non-profit group CarbonFund.org.</p> <p><b>FiberStone® Labels</b></p> <p>In addition to being an environmental leader, Label Impressions helped develop, and is the only supplier of, tree-free FiberStone® labels.</p> <ul style="list-style-type: none"> <li>• More durable</li> <li>• NO waste water</li> <li>• HALF the energy of virgin paper</li> <li>• Waterproof</li> <li>• NO trees</li> <li>• ONE THIRD the energy of recycled paper</li> </ul>	<p><b>Product Innovations</b></p> <p>The R&amp;D department at Label Impressions has three patents for unique label products, and we can help with your challenge. Give us a call!</p> <ul style="list-style-type: none"> <li>• Bioplastics and plant-based materials</li> <li>• Biodegradable materials and adhesives</li> <li>• Tickets for gaming and promotions</li> <li>• Resealable, multi-layer labels</li> <li>• Clean release and window cards</li> <li>• Scented and tactile labels</li> <li>• Intricate die-cutting and slug removal</li> <li>• Endless combinations of colors, designs and sizes</li> </ul>	<p><b>Call us today for free samples or more information!</b></p>  <p>1831 W.
